Permit Issued By _____

I hereby certify under penalty of the laws of the State of Washington, that I have read and examined this application and know that the information is true and correct. I will comply with all provisions of law and ordinances governing this type of construction work, whether specified herein or not. I understand that the granting of this permit does not authorize me in any way to violate or cancel any of the provisions of the state or local law regulating the construction or performance of construction sought under this permit. I further certify, as applicant, that I am one of the two following general categories of applicants as indicated by my initials below.

A. That I am currently licensed as a general contractor or specialty contractor as defined under RCW 18.27.010 and 18.27.110 and legally qualified to perform the work sought by this permit, or:

B. That I am exempt from the requirements of the Contractor Registration Laws, RCW 18.27.010 and 18.27.110 and will do all my own work or use not more than two registered and licensed subcontractors in connection with the work to be performed under the permit applied herein.
