It's that time of year again when winter months are upon us. Please make sure you keep your pet's fed and watered and kept warm. Always lock your doors at your house and your vehicles especially during this time of year, being Christmas is almost here. Have the proper clothing and tires out in this cold weather. If traveling tell someone else where your going and possibly the route. Don't post it on Facebook either. That just lets people know your house is free to burglarize. Be safe in the slippery weather and give yourself sufficient time to get there especially if snow is on the ground. Always watch out for your neighbors, and always report something you think is suspicious.

Hope your holidays are good to you and your family.

Be safe!!

A HELPFUL TIP!

We want to wish everyone a safe and Happy Holiday Season this year. Here are a few good tips to remember as we prepare for winter and the holiday season:

- ◆ Be careful with holiday decorations. Choose decorations that are flam resistant or flame retardant
- ◆ Keep lit candles away from decorations and other things that can burn.
- ◆ Replace any string of lights with worn or broken cords or lose bulb connections. Connect no more than 3 strands of mini-light sets and a maximum of 50 bulbs for screw-in bulbs.
- ◆ Use clips, not nails, to hang lights so the cords do not get damaged.

Also remember to:

- ◆ Test your smoke alarms and tell guests about your home fire escape plan.
- ◆ Keep children and pets away from lit candles.
- ◆ Keep matches and lighters up high in a locked cabinet.
- ◆ Ask smokers to smoke outside. Remind smokers to keep their smoking materials with them so young children do not touch them.
- ◆ Provide large, deep ashtrays for smokers. Wet cigarette butts with water before discarding.

**ALL OF YOU PLEASE, HAVE A SAFE AND HAPPY HOLIDAY.
IN CASE OF EMERGENCY, PLEASE CALL 911.**
